

Lenbrook

Let Us Welcome You Home to Lenbrook

By Katie Murphy, Move-In Manager

Even though the move from the home where you have lived for a long time to a smaller residence in Lenbrook can be stressful, our Move-in Team is here to help you every step of the way.

Once a new resident has selected their new home on our beautiful campus in the heart of Buckhead, either in the Brookhaven or Lenox Towers or in the brand-new **Kingsboro at Lenbrook** expansion, we jump into action.

As Lenbrook's Move-in Manager, I am here to answer every large and small question that you or your loved ones may have. From helping to meet paperwork deadlines, to coordinating with designers and contractors to make your new home just perfect, I am here for you. We can help you select finishes, suggest storage and furniture solutions, and keep all the moving pieces organized. We want to help lift these burdens off your shoulders during this stressful time. My goal is to help you, our new neighbor, complete your move-in within 90 days after you have made the final decision to call Lenbrook home. During that period, I almost become a member of your family.

I love my job, and you can be sure it's never boring! I have been working in the senior living industry for more than 11 years and believe in Lenbrook's model as a Life Plan Community. I have seen the difference that being part of a community makes in the lives of residents. It's amazing how people actually gain independence, freedom, and convenience when they move in.

Our job is to make the transition from your home into Lenbrook an easier process – and we pride ourselves on providing clear communications, solid advice and a positive team attitude. My motto is always: "If you want to be happy, make other people happy."

Welcome Home to Lenbrook!
